Matoshri College of Engineering & Research Centre, Nashik

The College have been established in the year 2008 with the strategic planning of 15 years considering the availability of the financial resources, its need and utilization. The institute has been developed as per the strategic planning. The major part of the strategic planning includes the following:

1. Infrastructure Development
2. Academic Expansion
3. Human Resource Development
4. Teaching Learning Practices and Tools
5. ERP Development and Implementation

The detail strategic plan from 2008 to 2023 has been attached

Activity	Phase	Description	Activity Planned	Activity Completed
Infrastructure Development	I	Construction of basement and ground floor of the main building	✓	✓
	II	Construction of first floor of the main building and ground floor of the workshop	✓	✓
	III	Construction of second floor of the main building and first floor of the workshop	✓	✓
	IV	Construction of third floor of the main building and library	✓	✓
Academic Expansion	I	To introduce UG Programme for Computer Engineering, Electronics and Telecommunication Engineering and Information Technology	✓	✓
	II	To introduce UG Programme for Mechanical Engineering	✓	✓
	III	To introduce UG Programme for Civil Engineering and Electrical Engineering	✓	✓
	IV	To introduce PG Programme for Computer Engineering	✓	✓
	V	To introduce PG Programme for Electronics and Telecommunication Engineering and Mechanical Engineering	✓	✓
	VI	To introduce Ph.D. in Computer Engineering and Electronics and Telecommunication Engineering	✓	✓
	VII	To introduce PG Programme for Civil Engineering and Electrical Engineering	✓	✓
	VIII	To introduce Programme for Artificial Intelligence and Data Science	✓	✓
	IX	To introduce research Center for Civil Engineering and Electrical Engineering	✓	✗

Matoshri College of Engineering & Research Centre, Nashik

Activity	Phase	Description	Activity Planned	Activity Completed
Human Resource Development	I	Recruitment of teaching and non-teaching faculty members for first year Engineering	✓	✓
	II	Recruitment of teaching and non-teaching faculty members for second year Engineering	✓	✓
	III	Recruitment of teaching faculty for third year Engineering	✓	✓
	IV	Recruitment of teaching faculty for fourth year Engineering	✓	✓
Teaching Learning Practices and Tools	I	To provide more student-centric teaching – learning methodology	✓	✓
	II	To upgrade skills of staff members through STTP, FDP, web learning through NPTEL, etc.	✓	✓
	III	Creating infrastructure to use modern teaching aid	✓	✓
	IV	To provide platform to the students to undertake internship in related industries	✓	✓
	V	To provide skill based training to the student	✓	✓
	VI	Plan to sign MoU with organization /corporate /industry to exchange the knowledge and expertise in related program of engineering	✓	✓
	VII	To make an effort to educate the students for entrepreneurship	✓	✓
	VIII	To contribute to social change and promoting green initiatives	✓	✓
ERP Development and Implementation	I	Admin	✓	✓
	II	Accounts	✓	✓
	III	HR	✓	✓
	IV	Students	✓	✓
	V	Library	✓	✓
	VI	Learning Recourses	✓	✓
	VII	Teaching Learning	✓	✗
	VIII	Store	✓	✗
